### Explanatory Notes:

**1. Kentucky Speedway Drive Around**, April 25, 9am-5pm. Spent \$40 in the speedway gift shop or \$40 donation to Speedway Children's Charities to drive a few laps on Kentucky Speedway/2020 particulars have not been released yet. I will be out of town but Kevin Vissing has agreed to lead the event.

**2. Kentucky Speedway Car Show**, July 11. This is also the same day as the NASCAR Cup race @ KY Speedway. I am able to get CUP race tickets for half price \$55! I will be camping at the speedway and we can meet and grill out at my motor home before the race.

**3. Bowman Field Heritage Festival Car Show**. October 3. This is the 100 year anniversary of Bowman Field; this is going to be a big event! WWII aircraft, military aircraft displays, live music, evening concert, food trucks....this will be a fun filled day! If you need additional information on an event feel free to call and I can explain the event or give you additional info.

**4. Indianapolis Speedway** details here: <https://speedtour.net/st/?lib=product&pid=585&cat=11>

**5. Driven:** A visit to roads you have never seen, no gas, no cell coverage, and driver oriented. We will end in Berea at the Kentucky Artisan Center for a spot of lunch. Start in Richmond. Approximately 100 mile cruise. Bring your own Dramamine.

**6. Somernites Cruise:** The event organizer would like us to commit ahead of time with an accurate count of Cobra's/Mustangs/Coupes etc because he is going to hold a section of the CENTER of the show open for us. Kevin talked them into letting him park there last year and they loved it. We will meet in Mt Washington and have a fun drive down. More to details to come. 1,000+ cars will show up.
